MEMORANDUM FOR: Chief, Western Hemisphere Division

25X1

SUBJECT : [] - Commendations

25X1

1. I know that Project [] brought together many excellent loyal and devoted employees who believed strongly in the mission and responded by contributing substantially more, in spite of disappointments and personal inconveniences, than an employee would in a normal assignment. This kind of performance is a real credit to the individual and to our organization.

2. Those mentioned on the attached list are credited with this kind of performance over a sustained period of time, and with confident display of leadership and knowledge in their field given liberally in the interest of the objective. Recognition of this creditable performance should be brought to their attention and a copy of this memorandum recorded in their personnel file.
